

Ultra-Fresh*

beautifully hygienic

with the Ultra-Fresh coating the
only thing not attracted to your blinds
are germs!*

Ultra-Fresh*

is an antimicrobial coating that inhibits the growth of bacteria, creating a hygienic blind - perfect for health conscious environments!

Ultra-Fresh*

resists product deterioration and discolouration caused by bacteria and fungi, preserving stunning designs and vibrant colourways!

Ultra-Fresh*

is a recognised brand name product with a variety of applications used on consumer products available from leading high street stores.

Ultra-Fresh*

inhibits the growth of odour-causing bacteria, mould and mildew giving you a permanently fresh blind!
